AMERICAN FLOW

AWWA C515 Gate Valves, NRS, OS&Y Resilient Wedge Type AWWA C508 Swing Check Valves

RED VALVE

Pinch Valves, Knife Gates, Pressure Sensors

A DeZURIK Brand

APCO

AWWA C512 Air Valves, AWWA C507 Ball Valves, AWWA C508 Check Valves

RODNEY HUNT

Heavy Duty, Medium Duty, Light Duty Sluice Gates, Fabricated Slide Gates, Flap Gates, Basin Relief Valves, Actuators and other Water Control Products

CLA-VAL

Control Valves for the Water Industry. Pressure Reducing and Relief, Rate of Flow, Surge Anticipation, Pump Control, Altitude, Float, Check, Differential Control and other specialized Control Valves available with Solenoid and Digital Electronic Control

ROTORK

Electric Valve Actuators for ON/OFF or Modulating Control Applications. Multi-turn and Quarter-turn versions. Manual Worm Gear Operators

DEZURIK

Standard (PEC) Port and 100% (PEF) Port Non-lubricated Eccentric Plug Valves, AWWA and Resilient Seated Butterfly Valves, Metal and Resilient Seated Knife Gate Valves and Valve Actuators

S.P. KINNEY

The World's Best Self-Cleaning Automatic Strainers and Blast Furnace Equipment with over 10,000 Quality Installations since 1941

HILTON

Cast and Fabricated Knife Gate Valves, Bi-directional and Uni-directional. Cast ANSI 150 Flanged Stainless Wedge Gate Valves and Check Valves

TIDEFLEX

Mixing Systems, Duckbill Check Valves, Checkmate Slip in Check Valves, Effluent Diffuser Systems

K-TORK (ROTORK)

Vane Type Pneumatic Actuators

WATER SPECIALTIES (MCCROMETER)

The Classic Propeller Meter for Clean Water flows. A Division of McCrometer

MCCROMETER

Propeller, Electromagnetic Mag and Insertion (SPI & FPI) Style, Differential Pressure Flow Meters
